GENERAL ADMISSION INFORMATION

PRE-ADMISSION

SF STATE STUDENT ID
You will be issued an SF State student ID after you apply to the University via CalState Apply. If you were previously a student at SF State you have already been used an ID number and it will remain the same. Please Note: ALL correspondence or phone messages with the Credential Services MUST include your student ID number.

SF STATE PASSWORD
Your SF State password is created by you, not assigned by the University. Once you receive an ID you can create a password or you can reset your password by clicking on the following link http://www.sfsu.edu/online/troubletips.htm.

CHECKING ADMISSION STATUS
You can check your graduate admission status at any time once you apply to the University via CalState Apply. You will need your SF State ID and password to log in. This status reflects only your application to the University. It does not reflect your department status. You can access this information online via your Student Center.

MySFSU
MySFSU allows you to access your Student Center. Student Center is an online portal for SF State students to access a variety of items including: sign in and register for classes, update your address, open or update your email account, access your grades, class schedule, unofficial transcript, test score report, financial statement and more (http://www.sfsu.edu/login.htm).

WITHDRAWAL PRIOR TO ADMISSION
If you choose to withdraw from the Admission Process please inform the Credential and Graduate Services Center in writing (an email will suffice) to the Credential Admission Office at credntry@sfsu.edu. The Admission Analyst will then inform the department and Graduate Admissions.

REAPPLICATION
If you are denied admission, you withdraw, or did not enroll the semester you were admitted and would like to reapply, you need to do the following things: reapply to the University using CalState apply, repay the department application fee and upload your documents by the program deadline. Let Credential Admissions know you would like to reapply, at least three months before, in writing by emailing credntry@sfsu.edu. Please note: Once you reapply, you are subject to any new policies and/or program requirements.

ADMISSION NOTIFICATION
An applicant will only be admitted to a Credential Program if all the requirements at both the University and the Department levels are met. Simply meeting the requirements does not guarantee admission into the credential program. You will be recommended for admission only AFTER these requirements are completed. The letter sent from the Credential Admissions office is not official admission to the University. It is only to inform you of the department’s recommendation for admission. You will be notified of formal admission by the Graduate Division via a letter from the Dean of Graduate Studies.

MANDATORY ORIENTATION
The Mandatory Orientation is given by the department in late January for Spring Applicants and late August for Fall Applicants. You will be notified of the time and date by email and/or mail. You must RSVP directly to the Department of Elementary Education.

GRADUATE ADMISSIONS

INTENT TO REGISTER
For Graduate students the Intent to Register deadline that appears when you check your status is not applicable. Once you are admitted to the university you have ten days from that date to declare your Intent to Register. Declaring intent to register does not obligate you to pay tuition or register for classes if you choose to withdraw instead.

SF STATE EMAIL
You can open an SF State email account once you have been admitted. You can do this by logging on to MySFSU. Faculty may use your SF State email address, make sure to check it often or have your email forwarded. If you want to have your email forwarded from your SF State account you can do this in MySFSU.

IMMUNIZATION RECORDS
SF State students are required to submit proof of Measles, Mumps and Rubella (MMR) Immunization. Failure to comply with this requirement will result in a registration hold. Submit this paperwork to the Registrar, located in the Student Services Building. You can access these forms on the Registrar’s website http://health.sfsu.edu/content/vaccinations-and-immunizations.
COURSE FEES
All credential students must pay course fees at the Credential rate. Course fees can only be paid once you have been formally admitted to the university. You can see the current fee schedule on the Bursar’s website http://www.sfsu.edu/~bursar/. The fee deadline can be found at the Bursar’s website as well.

REGISTRATION FOR CLASSES
Registration for those beginning a credential program is usually July or early August. Students cannot register for classes before their 24-hour priority registration period. You can find out when your priority period is by logging into MySFSU and accessing your Student Center. You will not be assigned a priority period before you are admitted. You may also have to pay course fees before being assigned a registration period.

During your priority registration period you may add and drop classes via your Student Center. Once this period is over you can only add or drop during Open Registration. A schedule of open registration can be found on the Registrar’s website http://www.cel.sfsu.edu/openuniversity/register.cfm.

WITHDRAWAL AFTER ADMISSION
If you choose to withdraw from the University, you must fill out a Petition to Withdraw from the University form http://www.sfsu.edu/~admisrec/reg/formstoc.html to receive a fee refund and to drop your classes. Then, inform your department, your student placement coordinator, your master teacher and your supervisor.

TRANSCRIPT HOLDS
If you are admitted to the University before your baccalaureate degree is posted or before you finish a course(s) at another University, you must submit a final transcript to SF State Graduate Admissions at any time during your first semester. If you do not, a hold will be placed on your record and you will not be able to register for your second semester classes. If you earned your degree at SF State, you do not need to submit any transcripts for work completed at SF State to the Graduate Admissions Office. Be sure to submit new transcripts showing your degree to the Credential and Graduate Services Center as well. The Credential and Graduate Services Center cannot recommend you for a credential without a transcript in your file that has a Bachelor’s degree posted on it.

PRELIMINARY CREDENTIAL REQUIREMENTS

APPLYING FOR THE PRELIMINARY CREDENTIAL
During the semester you enroll in the last student teaching course in your program, you will receive an email from Credential Services with an application, instructions for applying and a checklist of what may be missing from your file. This email will arrive after the halfway point in the semester. Make sure your email is correct by checking your contact information on MySFSU.

Processing priority is given by the date the complete application is received. Please note: If you are taking courses out of sequence or register late for your last student teaching course, you need to notify Credential Services; otherwise you will NOT receive a checklist and application.

The following are additional requirements for the preliminary credential that are not part of coursework:

US CONSTITUTION REQUIREMENT
You must meet the U.S. Constitution requirement either by course work or examination. Those who have earned a Bachelor’s Degree from a CSU campus have already met this requirement. If you believe you have met this requirement through prior coursework at a non-CSU institution, the Credential and Graduate Services Center will review your transcript at your request. Please contact the CGSC for more information regarding additional fulfillment options.

CPR REQUIREMENT
You must complete training in administering CPR to adults, children and infants. Your CPR card must be valid at the time you apply for the award of your credential. SF State does not accept online course certification. Email credinfo@sfsu.edu for more information.

RICA
The Reading Instruction Competency Assessment (RICA) is for Multiple Subject Credential students only. This test should be taken after taking E ED 782 and E ED 737. See http://www.ctexams.nesi.com/ for registration information.

LEVEL I TECHNOLOGY REQUIREMENT
You must complete foundational computer technology course work or pass an exam that includes general and specialized skills in the use of computers in educational settings. More information can be found at this website http://gcoe.sfsu.edu/current-students/credential-forms under Resources - How to Fulfill Level 1 Technology Requirement.
ADDITIONAL INFORMATION

CROSSCULTURAL, LANGUAGE AND ACADEMIC DEVELOPMENT (CLAD)
The Commission on Teacher Credentialing (CTC) governs teacher certification under the authority granted to it by the California State Legislature in Senate Bill 2042. SB 2042 includes stipulations under Assembly Bill 1059, which authorizes any holder of a preliminary credential to teach English Language Learners or in classrooms previously designated as “CLAD”. This means that holders of a SB 2042 credential do NOT have to complete a separate (or an additional) CLAD program nor take the California Teacher of English Learners (CTEL) Examination.

APPLYING FOR TEACHING JOBS
The Credential and Graduate Services Center does not provide job placement services. However, CGSC collects job postings and district information sent to the office. You may also stop by the office (Burk Hall 244) to look at employment binders during office hours. Another resource for job postings is www.edjoin.org. Many California school districts post jobs on this website. EdJoin is operated by the California County Superintendents Educational Services Association and all questions about the site should be directed to them.

MULTIPLE SUBJECT CREDENTIAL PROGRAM APPLICATION

EARLY FIELD EXPERIENCE

Title 5 Regulations from the California State University Chancellor’s Office requires each credential candidate to have participated in a supervised Early Field Experience in a public school setting prior to application to a credential program. The Early Field Experience is designed to simulate the credential you are seeking so we may gain a preliminary assessment of your potential as a classroom teacher. Thus, the classroom must be in a multiple subject, general education classroom setting.

DOCUMENTATION OF EARLY FIELD EXPERIENCE: SF State permits a variety of options in meeting this requirement. Below, please indicate which option you have met. The bottom of the page must be signed and submitted with your application to verify completion of the Early Field Experience:

__1. Completion of 45 hours paid experience as a teacher aide or teacher assistant the majority of which time has been direct or indirect contact with students. The classroom teacher, a site administrator or a district administrator may verify this.

__2. Completion of 45 hours as a classroom teacher in a public school with an emergency permit, as a substitute teacher, as verified by an administrator.

__3. Completion of 45 hours working with students as a volunteer in a regular education public classroom with a credentialed teacher. The classroom teacher would verify this experience.

__4. Successful completion of OR in the process of completing a course(s), which have a field experience in which you worked with children or young adults. Please note course(s) and include a copy of transcript and/or proof of enrollment with a course description for verification. A letter from the supervising teacher or school site administrator must also be submitted.

__5. 12 Hours from a preschool (ages 3-5), transitional kindergarten (TK), or a public K-5 after school program PLUS 33 Hours in a public K-5 general education classroom setting. Letters from the two supervising classroom teachers or site administrators must be submitted.
