It is recommended that someone who supervised the Early Field Experience write one of the two required letters of recommendation. A form is included in the application that needs to be signed by this person.

Agencies that can assist you in finding early field experience locations are Pacifica School Volunteers (<http://pacificaschoolvolunteers.org/>) or San Francisco School Volunteers (<http://sfedfund.org/>). 2. **SUBJECT MATTER COMPETENCY**:** The Commission on Teacher Credential requires that Education Specialist candidates prove they possess a body of appropriate knowledge that reflects California State Standards. Education Specialist Credential candidates have a choice of subject areas; they can choose **multiple subjects competency** or **single subject competency**. Those who have already met subject matter competency as a prerequisite to earning another California teaching credential do not have to repeat this requirement if they can provide a copy of a valid credential.

For credential purposes, competency in either multiple subjects or a core single subject is acceptable. Employers may require competency in a particular subject area for certain positions. The form the advisor needs to complete is on page 9. If you have completed a Commission on Teacher Credentialing–approved subject matter competency program from another institution, you must submit an official, original form or letter with a CTC-approved signature verifying that you have met all subject matter program requirements. If your subject area is not listed on the advisor list provided, then SF State does not have an approved subject matter competency program for that area.
