

# Benefits of the E-TPP Pathway

GRADUATE COLLEGE of  
EDUCATION

- Satisfy requirements for General Education requirements, B.A degree in Liberal Studies or Child and Adolescent Development, and provide Credential preparation
- Knowledge and skills to teach ALL students, including those with disabilities
- Students can take up to 6 units of Credential courses during Senior year
- Opportunity to fulfill Early Fieldwork requirements
- Pathway to Bilingual Authorization
- Students will fulfill Elementary Subject Matter requirements rather than take the costly CSET exam

**BECOME AN  
ELEMENTARY SCHOOL  
TEACHER!**

**Did you know the best time to prepare to be a future educator is while you're an Undergraduate student?**

**Join the Elementary Teacher Preparation Plan (E-TPP) at SF State and begin your journey of becoming a teacher!**
